

CHOCOLATE FUNDRAISING – TIME-SAVING OPTION

This year the PTA is offering a time saving option to families who wish to support the programs and initiatives of the PTA without participating in the traditional chocolate sales fundraiser, which delivers more than 75% of the PTA's annual funding. With this option, you can still contribute to the PTA's efforts to provide special programs, activities and purchases for our students.

If you do not wish to sell (or eat) chocolates, please instead make a direct donation to the PTA. Your child(ren) will receive credit for participation in this critical fundraiser, and will be entered in the end of fundraiser draw. The recommended donation amount for chocolates is \$50.00, this represents the proceeds the PTA receives from the sale of one box of chocolate. Of course a donation of any amount is welcome and appreciated.

Should you wish to choose this option, please submit your cheque or cash along with the form below prior to January 25th.

When you choose to support your PTA in this manner the PTA receives 100% of your direct donation.

Thank you for your participation in past fundraisers. We look forward to presenting this time saving option for specific fundraisers in the future. We understand that the demands on "family time" today are many, we are excited to offer our families a way to support our students that does not take time or attention away from what we all strive to support, the children of MLCP.

If you have any questions, please feel free to contact the MLCP PTA at mlcp.pta@gmail.com

Thank you for your support,
