

Montessori Learning Centre

“Knowledge with Understanding”

Dear Parent:

Thank you for your interest in **Summer 2021**.

The Summer Program follows a relaxed and entertaining variety of themes with daily arts and crafts and music geared to the topic at hand.

A few reminders:

- The Infant fee schedule does not change from that of the core year. Please ask for a fee schedule if you are unsure.
- Water play is offered daily – please ensure that swimsuits and towels are clearly labelled. Please check that they are taken home each day.
- General information remains the same – we suggest a couple of changes of labelled clothes be kept in backpacks for unexpected adventures. Out-door shoes, at this time of year, could be jellies or water shoes that fare well getting wet.
- Snacks are provided daily. Please see posted menu each week.
- Lunches are provided daily as mandated for all children under the age of 4. Optional hot lunch for children over the age of 4 is available for a nominal fee. Please ensure that lunches brought from home are healthy and well balanced as per the Health Department’s request. As the school is NUT AWARE, please refrain from including food items that contain nuts – some granola bars, peanut butter, etc. Lunch boxes cannot be stored in the fridge. Please use a thermos, ice pack or frozen juice box for temperature control. Your cooperation is appreciated.
- Payments for the summer are due by post-dated cheque for **July 5th** and for **August 1st**. Please indicate **ONLY** the days you know you will use. Additional days may be added at a later date – space permitting. The post-dated cheques must be received by **April 30th** to ensure spaces.
- The non-refundable \$30.00 registration fee should accompany the registration form and receipt of payment will be forwarded to you as confirmation of space. Please note that registrations accepted after April 2nd will carry a \$40.00 registration fee.

Sincerely,

Nicola Phillips
