

EXTRA-CURRICULAR & SOCIAL ACTIVITIES

MLCP is pleased to offer a healthy extensive curricular and social calendar. Extra-curricular activities are posted each term for sign-up in the main foyer. Social activities or events are noted on the main white board in the foyer, e-mailed updates, P.T.A. minutes and the school website.

General after school activities for MLCP students will include optional gross and fine motor activities, table work, art activities, and snack.

School year-end presentations are enjoyed at the end of each academic year.
