

MEDIA

It will be the school's decision to have media on the property. Otherwise, they can use the sidewalk, etc.

Never allow reporters into classrooms nor allow interviews with staff / students from sidewalk.

Should media be recognized and invited onto the property they will sign an offense declaration, be closely monitored and never alone with students. They may be requested to cover social events, community efforts and school functions. Only students who have signed acknowledgements will interact with media visitors. As with any visitors, respect and dignity are expected at all times.

MLCP will assign a representative to speak on behalf of the school.
