

PARENT/GUARDIAN IMPAIRMENT POLICY

MLCP is committed to creating a safe environment for children, families, staff and volunteers. Our Parent/Guardian Impairment Policy is to ensure the safety of both parents and children in our program.

This policy outlines the steps that will be taken in the event a parent/guardian arrives at MLCP in a perceived inebriated state.

If staff suspects that a parent or individual picking up a child(ren) is inebriated, impaired, or unfit to care for a child(ren), the child(ren) will not be released into that person's care. The child(ren) will remain under the supervision of MLCP's staff and MLCP will attempt to contact another authorized person to pick up the child(ren).

If a parent or guardian shows up in a perceived state of inebriation at a MLCP sponsored event, they will be asked to leave and provided transportation if required. Their child(ren) will not be released into their care.
