

STUDENT POLICIES

Student policies, behavioural expectations, offsite forms, and acknowledgement of such are available on the website www.mlcp.ca. The documents; Elementary Class Information (generally referred to as "the Handbook"), General Information Package, Elementary Information Booklet, Elementary Supply List, Program Statement, General Information & Guidelines, Annual Parent Sign Off Sheet, and the Health Department's Immunization Form, in their most current form, house a copy of both general and elementary expectations.

Students and parents are expected to sign and hand in the acknowledgement of the expectations contained in the handbook. The handbook covers school event protocols, attendance, punctuality expectations, community service, medication administration, bullying, emergency situations, day care hours and our program statement. Please ensure that required documentation for Elementary students - General Contract, Discipline Contract, and the Off-site Contract - have been signed and submitted within the first week of school.
