

Term II Events

Valentine Heart Sales – purchase a heart for \$2.00 with your personalized message (to your child, a friend, a staff member) for \$2.00. The heart will be decorated, a candy treat added and will be handed out anonymously...or not... to the recipient during each classes' Valentine celebration.

Chinese New Year, Kwanzaa and Black History Month are all celebrations acknowledged this term.

Chili Night offers a warm family evening during the chill of February. A variety of chili's prepared by staff members are served in bread bowls with salad. To keep our younger family members happy – chili or "chililess" hot dog meals are also available.

Term II holds our **Parent Evaluation** form hand out every 2-4 years. Parents are asked to evaluate the school and staff anonymously or not, the results are tallied and then become available for interested parties to view. The evaluation allows us the opportunity to recognize our areas of strength and to address our areas of need. Your timely responses will be most appreciated.

Parent Education Evenings are offered this second term also. Information is available on the various materials and levels and staff is enthusiastic to answer any questions you may have.

Income Tax Receipts along with **Re-Registration forms** are handed out during this term.

Our second and final set of **Parent Teacher Interviews** take place towards the end of the term.
